*additional fees apply for materials and specialty machine use

Details of SMU membership

MEMBERSHIP INCLUDES THE FOLLOWING:

- **Access to wood working*, design computers, and general entry to the space during our open hours (see website for hours)**
- **FREE entry to LMS introductory "Basics" classes on equipment in the MakerSpace**
 - These "Basics" classes certify you as competent and safe, therefore you can use the equipment on your own during open hours. Sign up on Eventbrite.com
- **50% discount on machine time and consumables**
 - Each machine has a different machine time rate. See website for machine time details
- **25% discount on mentor time with a staff member**
 - One-on-one mentoring and instruction that takes 30 minutes or longer is considered a service and will be charged at \$45 an hour.

HOW TO SIGN UP FOR A MEMBERSHIP:

*must be LMS certified

- Sign our liability waiver
 - Available online or in person
- Take the "New Member Orientation and Safety Training" course.
 - You can take it for free online or in person. Take it online at: laceymakerspace.teachable.com
- Come in and get your account set up. We will need your name, email, phone number, a credit card or debit card, and a billing address.
 - We need a card on file for liability purposes as well as to cover additional costs for machine time when applicable. Some machines require a usage fee to cover costly operating and/or consumable expenses.

WHAT YOU ARE RESPONSIBLE FOR:

- Machine time charges (SMU memberships do NOT receive a machine time credit)
- You are responsible for damages to machines if not properly operated
- You are responsible for your own safety
- You MUST be LMS certified on a piece of equipment before using it

ASK US ABOUT THE LACEYMAKERSPACE CLUB!

- We are seeking to create a club on campus! The goals and benefits include:
 - Students act as the bridge between LMS and SMU
 - Students can take on fabrication jobs requested by the campus
 - Students can use club funds to pay for materials and machine time
